## Karen Cox Memorial Grant Program

Montana Professional Teaching Foundation is pleased to announce its newest program, classroom assistance grants intended for Montana educators! Karen Cox, one of Montana's great educators, lost her life doing what she loved, working to improve education. She took seriously her opportunities to support her fellow teachers, and therefore it is fitting that this grant program be named in her honor.

This program is not intended to replace school funding, rather it's meant to assist educators who selflessly reach into their own pockets for classroom supplies. Montana educators can apply to the Foundation for funds expended on behalf of the classroom.

Please support Montana's educators and schoolchildren by making a tax-deductible contribution to the Karen Cox Memorial Grant Program. Thank you!
